IET/ECD/IEEE/2024/ 1944   Date: 19/09/2024

NOTICE

The IEEE Student Chapter **STB62961** is excited to announce a special event to celebrate **IEEE Day** on **October 1st , 2024 , 4th October2024 and 5th October 2024**. This year's theme is **"Leveraging Technology for a Better Tomorrow"** — while the world benefits from what's new, IEEE focuses on what's next.

Event Highlights:
Dates: October 1st, 4th, and 5th, 2024
Time: 10:00 AM - 1:00 PM
Location: Seminar Hall (EC 311), ECE Department

This event is open to all students, research scholars, and faculty members. It provides a wonderful opportunity to come together and collaborate on ideas that leverage technology for a better tomorrow.

**Registration Information:**
To participate in the event, please register via the link below by **September 30th, 2024.**
